

Finance (BS)

This program is offered by the George Herbert Walker School of Business and Technology/Business Department. It is available at the St. Louis main campus and at select international campuses. Please see the Locations Offering Undergraduate Programs section of this catalog for a list of campuses where this program is offered.

Program Description

The field of finance blends economics, accounting and other business disciplines with the goal of making financially sound business decisions. Financial tools and methodologies are of crucial importance for both small and large businesses. Important areas of finance include raising capital, making investments and understanding financial markets.
